

Isn't Ullacombe just the cutest little farm café ever?

Well, it was once a chicken shed, it really was! ... see the footprints in the floor! It all began over 10 years ago as an honesty box, with eggs and cakes on the side of the road, going up to Haytor by some lovely farmers and today it's still run by a farming family. We are not one of these big multi-site companies, we are just us in our chicken shed working hard and winging it through our day the best way we can.

Our team ... well, they are ace!

There are over 30 of us, aged from 14 right through to 60 years young and a lot of us are a little crazy, but with the best hearts! We try very hard to make sure you have a great time, however, we are only human, so if something isn't quite right just let any of the team know and just like Superman - the day will be saved!

We believe that we have some truly awesome suppliers and small businesses right on our doorstep and where possible we use their amazing bits in our menu and in our farmshop. We do love local and if you know a great up and coming business let any of the team know, we are always looking out for something new and exciting!

We hope you enjoy your visit to our little working family farm on the edge of the beautiful Dartmoor, that's been made with a lot of love and a pinch of some bits made up as we have gone along.

From Debbie, Lucy and all the team x
